

Association of Academic Research Libraries of New Mexico
Cooperative Collection Development Group

Preliminary Meeting
Socorro, 12 November 2003

Present:

NMSU: Susan Beck, Joe Becker, Elizabeth Titus
NMT: Joani, Shedivy, Dal Symes
UNM GL: Camila Alire, Nancy Dennis, Linda Lewis, Bruce Neville
UNM HSLIC: Janis Teal
UNM Law Library: Lorraine Lester, Ron Wheeler

Ideas from brainstorming session on following page; apologies for telescopic phrasing

General themes:

Note: arranged based on priorities established during meeting; not necessarily sequential

Responsibilities: Cooperative Collection Development Group (CCD); Deans and Directors (DD); Interlibrary Loan Group (ILL); IT/Systems Group (IT)

1. Document delivery. CCD, ILL
2. Shared catalog. DD, IT
3. Consortial pricing/negotiating/point person. CCD
4. Targeted collection development. CCD
5. Cooperative storage space. DD
6. Educating users/Admins/govt. All
7. Training workshops. CCD
 - committed to one workshop per year (rotating location?)
 - each institution to provide programs

Initiatives regarding scholarly publication

- * Institutional repositories
- * Expand UNM Scholarly Publishing Symposium to include other members

Next meeting

- to be called by Susan Beck, early January?
- identify/invite other potential members from each institution
- elect leader of CCD Group
- DD not present, except as necessary
- establish listserv (Susan Beck volunteered)
- share withdrawal policies (prior to meeting)

Brainstorming Session

Document delivery of books

- journal articles by Ariel

Consortial pricing of shared databases

- designated lead institution for negotiations
- pin down State Librarian

State Library resource sharing committee

Shared e-resources

Shared catalog, implied statewide collaboration

- combine with State Library
- no removal of last copy

Negotiate license constraints on ILL of e-journals

How to delineate research areas

- triplicated doctoral programs

Cost sharing of interfaces for shared catalog

- technology availability?
- leave to systems team

Different subject authorities (LC vs. NLM)

Proactive elimination of duplicates in ordering

Collection storage space

- cooperative
- eliminate duplication

Educating users to one NM collection

Circulation

- long-term checkout to faculty

Funding proposal for document delivery pilot

Credit as net intrastate lenders

Cooperative licensing, faster negotiations

- how decisions made on participation
- "in/out" pricing model

Passports and reciprocity

- NMCAL does not guarantee responsibility
- insurance fund

Shared Illiad

Archival/manuscript processing

Access to restricted materials

- non-rare materials in non-circulating collections

Point person for vendors, etc.

- coordination

Targeted CD

- campus competition for bond \$

Training workshops

- collection assessment

Research overhead (NMSU has 5%)

Guaranteed funding for inflation

- alternative revenue streams
- endowments

Working with Presidents of institutions

- Presidents Council; includes all higher ed institutions?
- Provostial level?
