TO: Round Up

Library Sponsors Open House

The Bibliographic Services Department of the NMSU Library is hosting an Open House on Friday, November 20, 1998, from 9 a.m. to 11 a.m. The Department is located on the First Floor East of the Branson Library (turn right as you enter the library). All NMSU faculty, staff, and students are welcome. Refreshments will be served.

Bibliographic Services is the library department that is responsible for cataloging books, serials, and other library materials, and labeling the materials. It functions largely behind-the-scenes. The staff will be available to discuss their jobs, answer any questions, and give tours. They hope to “demystify” the department, and actively solicit ways that they can improve their services. For more information, contact Gwen Gregory at 646-7488.
