Winners of Library Essay Contest Announced

Three members of the NMSU campus community have been announced as winners of the NMSU Library's essay contest: Kimberly Chappelle, an NMSU student; Candice Lisle, an Administrative Secretary in the Center for Counseling and Student Development; and Dr. Jamie Bronstein, an Assistant Professor in the History Department. Their essays will be published in the January 1999 issue of the Library newsletter, *Citations*.

Their thoughtful and well-written essays addressed two questions: "How do you envision the library of the future?" and "What is the most important thing that the NMSU Library can do for you in the coming millennium?" Chappelle highlighted inter-library networking, Lisle emphasized electronic resources, and Bronstein envisioned the library of the future as a valuable public space -- a place for people. The three winners received gift certificates for the Double Eagle. For more information contact Jeanette Smith at 646-7492.
