Library Improves Interlibrary Loan

The University Library is improving interlibrary loan and document delivery services to the campus community through a new system called ILLiad. The system provides registration in real time, login using NMSU's Banner ID and password, capability to track previous requests and improved turn-around times. Users can register on the system by going to the ILLiad web site at <http://illiad.nmsu.edu/>.

A workshop will be held in the Zuhl Classroom on Tuesday, August 30th, from 1:30 to 2:30 p.m. for anyone who would like assistance with registration. There will also be a brief demonstration of ILLiad. There is no need to pre-register, but seating is limited. For further information on ILLiad in general or on the upcoming workshop, please contact Jivonna Stewart, head of the Library's Information Delivery Services at (505) 646-6915 or jstewart@lib.nmsu.edu, or Norice Lee, Access Services department head at (505) 646-5091 or nlee@lib.nmsu.edu.
