Bauers Establish Library Music Endowment

Mrs. and Mrs. Gerald Bauer of Las Cruces recently established the Regis J. Guest Memorial Endowed Fund for the New Mexico State University Library. Annual earnings from the endowment will be used for the acquisition, processing and preservation of music-related material for the Library.

The endowment is named in memory of the Bauers' son, the late Regis J. Guest. Mr. Guest enjoyed music, especially jazz.

Library cataloger and music fund manager Gary Mayhood said, "We are so grateful to the Bauers for their generosity. This gift will benefit the University Library's music program in perpetuity."

Gifts are being accepted for the Regis J. Guest Memorial Endowed Fund from all interested persons. Gifts may be sent to the New Mexico State University Foundation, Inc., P.O. Box 3590, Las Cruces, NM 88003. For more information, please contact Jeanette Smith at the Library at 505-646-7492.
