“Hiram Hadley” to Recount Yuletide Reminiscences at Library Program

NMSU Library Special Collections will present a festive holiday program, “Yuletide Reminiscences Recounted by Hiram Hadley,” on Friday, December 17, 1999, at 3:30 p.m. at Branson Hall second floor east. Hiram Hadley, NMSU’s first president, will be portrayed by Dr. Richard Rundell, NMSU professor of Languages and Linguistics. Dr. Rundell has portrayed Hiram Hadley at many university and community events since the NMSU Centennial in 1988. Holiday music will be provided by a NMSU Horn Quartet, consisting of music students Tish Almanza, Gus Camacho, Teresa Gonzales, and Andy Moran. Tish and Gus are NMSU sophomores and Andy is a junior. Teresa, a senior, is a student employee in the Library’s Special Collections. The public is invited to come and enjoy this Special Collections Event. Attendees from off-campus may park in lot 17 north or lot 45 near the New Library. For more information, please call the Special Collections staff at 646-6122.
