McKee Foundation Gives to University Library

The NMSU Library has received a gift of \$9,000 from the Robert E. and Evelyn McKee Foundation of El Paso. The gift will be used for the purchase of engineering resources for the library's collection.

Angela Murrell, the library's engineering selector, said "This gift will enable the library to better serve engineering students by providing an updated collection."

Robert E. McKee is remembered as the "master builder" who built major structures in El Paso as well as Los Angeles, Dallas, New Orleans and Atlanta.

For more information, please contact Murrell at (505) 646-3079.
