### Free Citation Style Workshops Offered

Do you need to write a paper or do a presentation that cites sources using APA (American Psychological Association) or MLA (Modern Language Association) style? Wonder what these styles are or how to get your citations formatted properly?

The NMSU library is offering free workshops to anyone in the campus community explaining the basics of APA and MLA citation styles, and providing opportunities to practice. The workshop schedule, which runs from Tuesday, October 21, through Thursday, November 5, is listed below. Eight different sections for beginners and advanced students are being offered. Pre-registration is not required. For more information, please contact reference librarian Mardi Mahaffy at (505) 646-6925, or email [mmahaffy@lib.nmsu.edu](mailto:mmahaffy@lib.nmsu.edu).
