

New Mexico State University Library  
Oral Histories: Special Use Limitations and/or Nonexclusive Copyright License for  
Interviewee

Check all that apply.

Interviewees may wish to preclude certain future uses of their oral history interview and also reserve to themselves the right to utilize their memoir in projects and publications of their own.

***Future Use  
Limitations***

- G My oral history interview (audio and/or video) may not be used in any commercial publication or broadcast without my written permission. This limitation includes all forms of communication presently known as well as those yet to be discovered.

***Personal  
Utilization Rights***

- G New Mexico State University Library in turn agrees that \_\_\_\_\_ (*name of interviewee*) shall have a nonexclusive license to *utilize* their oral history interview. This license terminates upon the death of the interviewee.
