

MLA CITATION TIP SHEET

Based on: Modern Language Association of America. *MLA Handbook for Writers of Research Papers*. 7th ed. New York: MLA, 2009. Print.

A works-cited list in MLA style is organized alphabetically by the first word in each citation. After the first line, indent all subsequent lines one half inch from the left margin. **All citations should be double spaced.** Capitalize the important words in the title, and italicize the main title in the citation. Include the full name of the author (e.g., Katz, William A.) and the shortened form of the publisher (e.g., Oxford UP).
