

MLA CITATION TIP SHEET

Based on: Gibaldi, Joseph. MLA Handbook for Writers of Research Papers. 6th ed. New York: Modern Language Association of America, 2003.

A works-cited list in MLA style is organized alphabetically by the first word in each citation. After the first line, indent all subsequent lines one half inch from the left margin. Capitalize the important words in the title, and underline the main title in the citation. Include the full name of the author (e.g., Katz, William A.) and the shortened form of the publisher (e.g., Oxford UP).
