ABOUT ME

I am a seasoned library leader with experience in budgeting, project management, process improvement, personnel management, team building, strategic planning, collaboration, and crisis management. I am also a well published academic with articles and presentations spanning areas of library technology, instruction, and management. My career to date has included both public and private universities as both staff and faculty.

WORK

ASSOCIATE PROFESSOR AND HEAD OF SYSTEMS
New Mexico State University Library / 2023-present
Providing overall direction, supervision, project management, and departmental vision for the Systems department under the administration of the Dean of the Library.

HEAD OF LIBRARY TECHNOLOGY SERVICES
Washington University Libraries / 2019-2023
Providing overall direction, supervision, project management, and departmental vision for the LTS department. Managing licensing/equipment budgets and resources.

ASSISTANT PROFESSOR AND HEAD OF LIBRARY IT SERVICES
K-State Libraries / 2018-2019
Provided overall direction, supervision, project management, and departmental vision for the ITS department of K-State Libraries. Prepared budget estimates for the Associate Dean.

ASSISTANT DIRECTOR, LIBRARY IT SERVICES
K-State Libraries / 2016 - 2018

INNOVATION ARCHITECT
Texas Medical Center Library / 2015 - 2016
Generated and championed innovative projects to promote and further the mission of the library. Worked with stakeholders and collaborators to create user-centered solutions for problem areas for the library and the medical center.

HEAD OF LIBRARY COMPUTING AND INFORMATION SYSTEMS
University of Oklahoma, Robert M Bird Library / 2013 - 2015

EDUCATION

M.A. IN ENGLISH
University of New Mexico / 2013

M.A. IN LIBRARY AND INFORMATION SCIENCE
University of Iowa / 2008

B.A. IN ENGLISH
University of Iowa / 2006

Refereed/Invited Presentations and Conference Events

"A Novel Format for the Preservation and Re-Use of Research Data." Invited "Brunch and Learn" presentation delivered to K-State Central ITS. 26 September 2019, Unger Complex, Manhattan, KS.

"Collaborating with Data: Building a Partnership with an Electrophysiology Researcher." Project briefing co-authored and presented at the Coalition for Networked Information Membership Meeting. 8-9 April 2019, Ritz-Carlton Hotel, St. Louis, MO.

"Working Toward Section 508 Zen." Project briefing co-authored and co-presented at the Coalition for Networked Information Membership Meeting. 8-9 April 2019, Ritz-Carlton Hotel, St. Louis, MO.

"Ontology Based Data Architecture to Promote Data Sharing in Electrophysiology." Poster co-authored for presentation to the 2018 International Conference on Biomedical Ontology. 7-10 August 2018, CH2M HILL Alumni Conference Center Oregon State University, Corvallis, OR.

"Quantum Computing/Digital Gaslighting." Presentation to the 2018 American Library Association Conference LITA Top Tech Trends Panel. 24 June 2018, Morial Convention Center, New Orleans, LA.

"Using a Colloquium Model for Knowledge Sharing." Presentation to the 2018 American Library Association Conference New and Successful Ways to Manage Library IT Panel. 23 June 2018, Morial Convention Center, New Orleans, LA.

"These Beautiful Things: K-State Libraries Collaborates with the Marianna Kistler Beach Museum of Art to Create an Online Collection Application." Project briefing presented at the Coalition for Networked Information Membership Meeting. 11-12 December 2017, Omni Shoreham Hotel, Washington, DC.

"StacksGuide 2.0: The Dynamic Physical Finding Aid." Poster co-presented at Code4Lib 2017. 6-9 March 2017, UCLA Meyer and Renee Luskin Center, Los Angeles, CA.

"Data Management Plan to Curate Electrophysiological Data Obtained from the Mammalian Cochlea." Poster co-authored for presentation to the 40th Annual MidWinter Meeting of the Association for Research in Otolaryngology. 11-15 February 2017, Baltimore Marriott Waterfront, Baltimore, MD.

"Zombies Ate My Evidence: The EBM Diagnostic Challenge to Save the World" Paper co-authored for presentation to the South Central Chapter of the Joint Meeting of the Midwest and Mid-continental Chapters of MLA entitled "Merge & Converge". 21-24 October 2016, Des Moines, IA.

"ProxyFu: Utilizing EZProxy authentication and LibGuides as a tool for promoting library resources and services." Paper co-presented at the South Central Chapter of the Medical Library Association Conference entitled "Bridging Rivers of Change". 2-7 October 2015, Marriott Little Rock, Little Rock, AR.

"Applying the Personalized Web: Leveraging Research of Google Analytics Custom Events to Craft an Improved Web Posture." Paper presented at the South Central Chapter of the Medical Library Association Conference entitled "Bridging Rivers of Change". 2-7 October 2015, Marriott Little Rock, Little Rock, AR.

"Zombie Emergency: A Tool For Gamification and Promotion." Presentation to the 2015 Medical Library Association Conference Top Tech Trends Panel (invited expert). 19 May 2015, Austin Convention Center, Austin, TX.

"Applying Gamification to the Teaching of Source Authority Issues." Presentation to the 2015 Academic Tech Expo. 9 Jan 2015, University of Oklahoma, Oklahoma City, OK.

"Zombie Emergency!: A Tool To Increase Engagement With Health Information Sources Through Gamification." Trends in Technology Panel presented to the 2014 Medical Library Association Quint Chapter Meeting. 16 October 2014, Denver Technology Center, Denver, CO.

"Stat Talk: Information Security for Librarians." Paper co-presented to the 2014 Medical Library Association Quint Chapter Meeting. 15 October 2014, Denver Technology Center, Denver, CO.

"Technology and Personal Learning Networks." Presentation to the 2014 Biennial Meeting of the Oklahoma Alliance for Continuing Medical Education. 28 March 2014, Integris Medical Center, Oklahoma City, OK.

"Can Semantic MEDLINE Improve Upon the Homemade Semantic Web?." Paper co-presented at the South Central Chapter of the Medical Library Association Conference entitled "Cowboys, Culture, and Change". 26-30 October 2013, Fort Worth Hilton, Fort Worth, TX.

"Better Living Through XML." Tech Expo presented at the South Central Chapter of the Medical Library Association Conference entitled "Cowboys, Culture, and Change". 26-30 October 2013, Fort Worth Hilton, Fort Worth, TX.

"Internet Privacy." Round Table co-moderated at the South Central Chapter of the Medical Library Association Conference entitled "Cowboys, Culture, and Change". 26-30 October 2013, Fort Worth Hilton, Fort Worth, TX.

"Building La Puerta." Tech Expo presented at the South Central Chapter of the Medical Library Association Conference entitled "Cowboys, Culture, and Change". 26-30 October 2013, Fort Worth Hilton, Fort Worth, TX.

"Semantic Medline: A Novel Approach for Hypothesis Generation and Creativity Enhancement." Tech Expo co-presented at the South Central Chapter of the Medical Library Association Conference entitled "Cowboys, Culture, and Change". 26-30 October 2013, Fort Worth Hilton, Fort Worth, TX.

"The Zen of Information Science: Building the Future in a Health Sciences Environment." Invited webcast presented to Medical and Scientific Libraries of Long Island. 4 October 2013, Molloy College, Long Island, NY.

"Basic Elements of Responsive Web Design." Instructional session at the Library Technology Conference. 20-21 March 2013, Macalester College, St. Paul, MN.

"Exploring Digital, Asynchronous Modes of Instruction." Oral presentation at the 8th Annual Success in the Classroom Conference entitled "Sharing Practices that Work". 20 February 2013, UNM Student Union Building, Albuquerque, NM.

"Are We Poised For a Digital Biblioclasm?" Round table moderated at the South Central Chapter of the Medical Library Association Conference entitled "Rave on the Caprock". 13-17 October 2012, Overton Conference Center, Lubbock, TX.

"Smart Links." Tech Expo presented at the South Central Chapter of the Medical Library Association Conference entitled "Rave on the Caprock". 13-17 October 2012, Overton Conference Center, Lubbock, TX.

"Digital Scavenger Hunt." Tech Expo presented at the South Central Chapter of the Medical Library Association Conference entitled "Rave on the Caprock". 13-17 October 2012, Overton Conference Center, Lubbock, TX.

"The Evolution of the Web: from Static to Semantic in Three Big Steps." Webcast presented to the North Carolina Chapter of the Special Library Association. 10 July 2012.

"The Art of Redirection: Putting Mobile Devices Where You Want Them." Instructional session at the Library Technology Conference. 14-15 March 2012, Macalester College, St. Paul, MN.

"Imagining Emergent Metadata, Realizing the Emergent Web." Paper presented at the Library Technology Conference. 14-15 March 2012, Macalester College, St. Paul, MN.

"The Evolution of the Web: from Static to Semantic in Three Big Steps." Virtual Lunch presented to the Rio Grande Chapter of the Special Library Association. 22 February 2012.

"Preparing for the Age of the Digital Palimpsest." Paper presented at the South Central Chapter of the Medical Library Association Conference entitled "Info on the Geux". 14-19 October 2011, Baton Rouge Capitol Center Hotel.

Classes

2023—Artificial Intelligence; (taught at NMSU Library. 23 October 2023, NMSU Zuhl Library classroom.)

2023—Public Key Encryption; (taught at NMSU Library. 28 September 2023, NMSU Zuhl Library third floor.)

2015—Beginning Web Development: HTML, CSS, JS and the DOM; Medical Library Association 3 credit CE (taught at the South Central Chapter of the Medical Library Association Conference entitled "Bridging Rivers of Change". 2-7 October 2015, Marriott Little Rock, Little Rock, AR.)

2015—TMC Library Coding Classes; regular series taught at the Texas Medical Center Library

2014—HTML, CSS, and the DOM; one month course taught online for Library Juice Academy

2013—Metadata; part of an internal instructional series on data management at UNM/HSLIC

2011-2013—Problem-Based Learning Group Tutoring, School of Medicine, UNM/HSLIC

2010-2013—Internal topics regularly presented to fellow faculty and staff, UNM/HSLIC

2010-2013—Library use/source authority classes regularly taught to health science students, UNM/HSLIC

2009-2010—Library use/source authority classes regularly taught to students of all specialties, Kaplan University/Cedar Rapids, IA

Awards and Honors

2019—Invited Member, Four Worlds Project Steering Committee — Marianna Kistler Beach Museum of Art, Kansas State University

2015—Second place, Elizabeth K. Eaton, PhD Research Award — Contributed Papers (SCC/MLA 2015 annual conference)

2011—Article "How Tech Projects Fail: Learning Lessons for the Future." selected as featured content in "The Informed Librarian Online".

2009—Elected President of the Linn County Library Consortium

Grants and External Funding

2019—Successfully applied for XSEDE startup grant providing $2,971.00 worth of remote computing resources for K-State Libraries ITS.

2016—Chief architect and project manager for the joint K-State Libraries-Marianna Kistler Beach Museum application project with developer salary funded by museum donors.

2015—Named Informationist and Co-Principal Investigator for Informationist Supplement to NIH grant 3R01DC000354-28S1. Co-authored supplement application.

2014—Authored Zombie Emergency! game portion of the successful NN/LM outreach grant.

2013—Awarded SCAMeL library exchange grant along with colleagues from two other institutions.

Service

2023-present—Member of the NMSU IT Acquisitions Committee

2023-present—Member of the NMSU Security Team

2023-present—Member of the NMSU Systems Administration Task Force

2023-present—Member of the NMSU Library U Committee

2023—Member of the NMSU Director of Instruction and Research Support Search Committee

2023—Jury member for the ASIS&T Information Science Award.

2022-2023—Member of the U.S. Repository Network Working Group: Desirable Characteristics for Publication Repositories.

2019-2022—Member of the Professional Development Committee, Association for Information Science and Technology.

2021-present—Chair of the WashU Public Computing Service Committee.

2021-2022—Co-Chair of the WashU Ginkgo Migration Committee.

2021-2022—VP of Membership, Toast of WU (Toastmasters International local club).

2020—Member of the WashU Libraries Covid 19 Response Team.

2019-2023—Member of the WashU Library Management Committee.

2019-2023—Member of the WashU Digital Library Governance Committee.

2019—Member of the ALA/LITA Web Coordinating Committee.

2017-2019—Chair of the Sunderland Foundation Innovation Lab Committee.

2018—Member of the ALA/LITA Education Committee.

2018—Member of the University Library Committee, Kansas State University.

2009—President of the Linn County Library Consortium.

2017-present—Associate Editor of the *International Journal of Library and Information Services*.

2015—Member of the *MLA Notes* editor search committee.

2012-2013—UNM/HSLIC representative to University Libraries Data Management Committee.

2012-2014— Government Relations Committee member, South Central Chapter, Medical Library Association.

2011-2014— Technology Advisory Committee member, South Central Region, National Network of Libraries of Medicine.

2011— Web Design Team member, Rio Grande Chapter, Special Library Association.

2010-2011— Program Committee member, South Central Chapter, Medical Library Association.

2010-2015—Co-Editor of the Technology column of the *Journal of Hospital Librarianship*.

Selected Non-Degree Educational Opportunities

2019—Harvard Leadership Institute for Academic Librarians.

2018—Big Data and Hadoop Fundamentals (Certs-School).

2018—Grow with Google Scholarship: Mobile Web (Udacity).

2015—Advanced PHP (Lynda.com).

2014—Introduction to Dynamical Systems and Chaos (Santa Fe Institute Complexity Explorer).

Memberships

Member of the Association for Information Science and Technology.

Member of the New Mexico Library Association.

Member of the Mountain Plains Library Association.

Member of the Border Regional Library Association.
